With the new Gallardo LP 560-4 Spyder, Lamborghini has created a driving experience like no other – fascinating design, breathtaking performance and extreme handling characteristics come together with all the sensual intensity and open-air pleasure that only a soft-top super sports car can deliver. This exclusive Lamborghini was created specifically for the Race to Erase MS. The car is configured with black interior and exterior with subtle orange accents for luxurious individuality. With the new Spyder, Lamborghini combines the LP 560-4's class-topping 560 horsepower engine with its permanent four-wheel drive system, propelling it from 0-60 in less than 4 seconds with a top speed of 201 mph. Additional luxurious features include: six speed indie-car style shifting, iPod connection, Bluetooth connection, fully electric and heated seats, anti-theft system, navigation system, and Cordelia black rims. The Lamborghini name has become synonymous with gorgeous, high-performance vehicles. Manufacturing of these beautiful works of art is limited and only a select number of Lamborghinis are produced each year. 2. Tommy's Paradise Adventure

The living is easy and extremely dreamy as you and your 15 guests experience seven days and six nights the sumptuous living at Tommy Hilfiger's luxurious private hideaway, "Palm Beach," on the magical Caribbean island of Mustique. Located in the West Indies, near St. Lucia and Barbados, the island was privately purchased in 1958 and developed as a retreat for England's royalty and hip set, attracting top stars such as Mick Jagger and David Bowie. Tommy's "Palm Beach" estate, located next to Mick Jagger's private getaway, is a grand six-bedroom home with five additional guest cottages, all built in gorgeous local sea-coral stone, which sleeps altogether 16 people. "Palm Beach" took three-and-a-half years to complete after the Hilfiger's fell in love with it and decided to make this their chosen paradise escape. Furnished in the British colonial style with Messel artifacts and antiques brought from London (including some from the sale of the Duke and Duchess of Windsor's Estate), Palm Beach is truly an Eden of luxury and relaxation. Encompassing a seven-day unforgettable island adventure, your Tommy Hideaway Adventure begins as you and your party of 15 of your dearest friends meet here for this experience that only a few will ever be able to enjoy. While here, enjoy the luxury of a full staff, private chef, masseuse and no shortage of adventures to experience in this tropical playground surrounded by miles and miles of stunning shoreline.
